### *Identification\_Information:*

#### *Citation:*

##### *Citation\_Information:*

*Originator:* North Central Texas Council of Governments (NCTCOG)

*Publication\_Date:* 20201118

*Title:* NCTCOG Multiyear Contours

*Geospatial\_Data\_Presentation\_Form:* vector digital data

#### *Description:*

##### *Abstract:*

This dataset includes 2' cartographic digital elevation contours for all of Collin, Dallas, Denton, Ellis, Erath, Hood, Johnson, Kaufman, Navarro, Parker, Rockwall, Somervell, and Tarrant counties; most of Hunt, Palo Pinto, and Wise counties; and a small portion of Parker county. The data were developed by NCTCOG through a compilation of data from a variety of sources each representing a particular year with the most current data for each individual area included here. This file is for reference use only. NCTCOG and its members are not responsible for mistakes or inaccuracies in the file.

##### *Purpose:*

General reference, Mapping, and Analysis. This product is for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative alignment of physical features at the time of data capture.

*Use\_Constraints:*

Ownership of the data products resides with NCTCOG. Use of NCTCOG Products: The Entity's Authorized Users may Use the NCTCOG data product in the Licensed Operating Environment for any use that furthers the Entity's internal operations or in furtherance of the Entity's mission. Use of Generated Output or Other Data: Except as stated, the Entity will own all original works of authorship it may independently create. Digital output from the Entity's Use of the NCTCOG Data Product may be resized as desired and printed on black and white, color printers, or map plotters. Such printed hardcopies may be distributed to the Entity's officers, employees, citizens, contractors, or other persons in the regular course of business for their internal use or in connection with an actual transaction. Such printed output may be further copied, photographed, or reproduced digitally on the Internet. The Entity may charge a fee for such hardcopy printouts that exceed the actual direct cost of production. Without the prior written consent of NCTCOG, the Entity may not otherwise provide copied, digitized, reproduced, transmitted or disseminated, in whole or in part, any of the original digital data product in any form.

*Distribution\_Liability:*

The information contained in these data is a static representation of dynamic features that may change over time. These data are derived from sources considered reliable. However, no particular level of accuracy in either the source data or in the final product is guaranteed. Nor is there any guarantee that the final NCTCOG product is in any way superior to the data from the original sources in terms of quality, completeness, or accuracy. The data are provided by NCTCOG "AS IS" and without warranty of any kind. Although these data have been processed successfully on computer systems at NCTCOG, no warranty, expressed or implied, is made regarding the utility of the data on another system, or for general or scientific purposes; nor shall the act of distribution constitute any such warranty. This disclaimer applies both to individual use of the data and aggregate use with other data. Responsibility for the use of the data lies solely with the user.
