Staff Contact: Sydni Ligons
www.iswm.nctcog.org

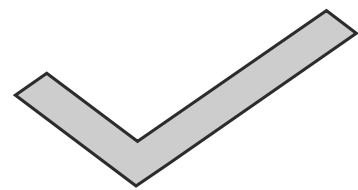

Welcome and Introductions

- Approval of the July 10, 2019 Meeting Summary

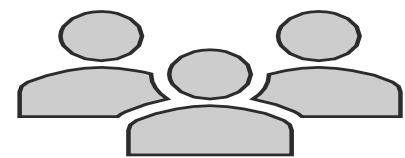

Work Scope: Task Order Three Updates

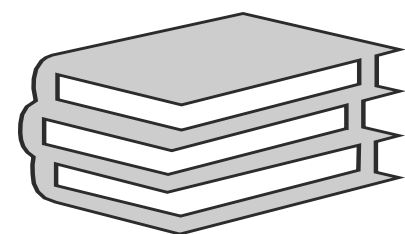

Task 2: Reorganize/Re-evaluate Site Development Controls

Task 3: iSWM Designation Implementation Workshop

Task 4: Technical Meeting of iSWM Adopters

Task 5: iSWM Principals Regional Review

Task 7: iSWM BMP Installation Videos

Action Items

- Task 6 - Technical Manual Rainfall Intensities Recommendation ([Link to Charts](#))
- Detention Drawdown Time Recommendation

Other Business

6. We are looking for iSWM implementation review volunteers
 - The IIS review board consists of three (3) members that have either served on the IIS for a minimum of two (2) years or represent a community that has implemented iSWM. The review board positions rotate every two (2) years and are filled on a voluntary basis

Current review board as of April – 2018

- Kelly Dillard
- James Gossie
- Ranjan Muttiah

Public Works Program Updates

Public Works Council

- Council adopted new bylaws and a work program for FY2020. We're still looking for a volunteer to represent the Northeast Dallas, Northwest, and Southeast Dallas Subregion.
- FY2020 cost shares are available online at <https://www.nctcog.org/envir/public-works/cost-share>

Sustainable Public Rights of Way (SPROW) Subcommittee

- Working towards a Best Management Practices guidebook; proposed template available online at <https://www.nctcog.org/envir/committees/public-works-council/sustainable-public-rights-of-way-subcommittee>
- Subcommittee will decide how to collect information for the BMP and discuss dividing the committee into groups to work on multiple topics.

Standard Drawings Subcommittee

- Subcommittee finished giving comments on Division 6000 and will be starting updates on Division 3000. Division 1000 edits are almost ready to be released in the final format.
