Safety Message/Plan

Purpose. The Safety Message/Plan (D 208) expands on the Safety Message and Site Safety Plan.

Preparation. The D 208 is an optional form that may be included in the Incident Action Plan/Emergency Action Plan (IAP/EAP). If the EOC or other facility has an existing Site Safety Plan, use that plan instead and include it on the IAP/EAP.

Distribution. The D 208, if developed, will be reproduced with the IAP/EAP and given to all recipients as part of the IAP/EAP. All completed original forms should be given to the Emergency Manager.

Notes:

- The D 208 may serve (optionally) as part of the IAP/EAP.
- Use additional copies for continuation sheets as needed, and indicate pagination as used.
