

Attend in person or watch the presentations live at www.nctcog.org/input.
A video recording will be made available afterward.

PRESENTATIONS

Mobility 2045 Update

One of the primary responsibilities of a Metropolitan Planning Organization is the development and maintenance of a Metropolitan Transportation Plan (MTP). NCTCOG staff has initiated the development of an update to the current MTP, Mobility 2045, and will provide an overview and update on the timeline for the Plan.

Fort Worth to Dallas Regional Trail Branding Project

The Regional Trail Branding and Wayfinding Project will create unified branding and signage for the Fort Worth to Dallas Regional Trail, which runs through the cities of Fort Worth, Arlington, Grand Prairie, Irving, and Dallas. The project will also help build regional consensus for ongoing marketing and operations for the trail and provide recommendations for support infrastructure. Staff will present an overview of the project and provide upcoming public input opportunities.

Title VI Program/Language Assistance Plan Update

The Title VI Program documents how NCTCOG considers civil rights in planning. The program includes procedures individuals can use to file a complaint of discrimination. Updates to the Title VI Program and the Language Assistance Plan will be presented, and a 45-day public comment period will begin.

DFW Clean Cities Update: 2021 Annual Survey

NCTCOG is the host organization for Dallas-Fort Worth Clean Cities (DFWCC), a US Department of Energy initiative to reduce total energy impacts in the transportation sector. As a part of these efforts, DFWCC surveys local fleets each year about alternative fuel use and other fuel-saving activities. The 2021 Annual Survey has now opened and details on the survey goals and Fleet Recognition Program will be provided.
