

New Programs			
Chapter	Primary Topic/Area	Reference	Description
Environmental	Streamlined Project Delivery	SPD-004	Increased transportation system resiliency for critical facilities and vulnerable locations
Mobility	Aviation	AV2-012	Air Taxi and Air Cargo Corridor Identification and Demand Determination
Mobility	Aviation	AV2-013	Scaling Advanced Air Mobility Pilot Ecosystems to Other Metroplex Locations
Mobility	Aviation	AV2-014	Test Multimodal Integration and Proof of Concept for Air Taxis into the DFW Metroplex
Mobility	Aviation	AV2-015	Development of a Scalable Vertical Mobility Public Engagement Program
Mobility	Freight	FP2-140	The North Texas Multimodal Operations, Velocity, Efficiency, and Safety Program (NT Moves)
Operations	Asset Management	SPD-001	Asset optimization
Operations	Asset Management	SPD-002	Bridges and grade separations over arterials and railroad underpasses
Operations	Asset Management	SPD-003	Pavement and bridge condition improvement program
Operations	Transportation System Management and Operations	TSMO2-012	Arterial Grade Separation
Social Considerations	Environmental Justice	EJ2-001	Health Accessibility Program
Transportation Technology	Technology	TT2-006	AV2.0
Transportation Technology	Technology	TT2-007	Freight Optimization
Transportation Technology	Technology	TT2-008	NTCMT
Transportation Technology	Technology	TT2-009	CV Data for Operations
Transportation Technology	Technology	TT2-010	Workforce Development
Transportation Technology	Technology	TT2-011	Emerging Transportation Technology Deployments
Transportation Technology	Technology	TT2-012	Innovation Grants for Local Partners

Updated Programs			
Chapter	Primary Topic/Area	Reference	Description
Environmental	Air Quality	AQ2-007	Air Quality Technical Planning and Analysis
Operations	Transportation System Safety	TSSF2-001	Traffic Incident Management Program
Operations	Transportation System Safety	TSSF2-002	Regional Roadway Safety Assistance Patrol Program
Operations	Transportation System Safety	TSSF2-005	Roadway Safety Improvement Program
Operations	Travel Demand Management	TDM2-100	Regional Trip Reduction Program

Programs Carried Over from Mobility 2045			
Chapter	Primary Topic/Area	Reference	Description
Mobility	Active Transportation	BP2-001	Active Transportation Planning and Design
Mobility	Active Transportation	BP2-002	Active Transportation Network Implementation
Mobility	Active Transportation	BP2-003	Active Transportation Education and Outreach
Mobility	Aviation	AV2-005	Aviation Surface Access Planning
Mobility	Aviation	AV2-006	Data Collection and Performance Tracking
Mobility	Aviation	AV2-007	Continuous System Planning
Mobility	Aviation	AV2-009	Encroachment Prevention and Compatible Land-Use Planning
Mobility	Aviation	AV2-010	Integrated Aviation Education System
Mobility	Aviation	AV2-011	Coordination of Unmanned Aircraft Systems
Mobility	Freight	FP2-110	Data Collection
Mobility	Freight	FP2-120	Freight System/Network Planning
Mobility	Freight	FP2-130	Freight Outreach Activities
Mobility	Freight	FP2-330	Land Use Planning
Mobility	Public Transportation	TR2-001	Community Access Transit
Mobility	Public Transportation	TR2-002	Last-Mile Transit Connections
Mobility	Public Transportation	TR2-003	Regional Connections: Next Generation Transit Program
Mobility	Public Transportation	TR2-004	State and National Transit Connections
Mobility	Public Transportation	TR2-005	Transit Enhancements and Mobility Improvements
Mobility	Roadway	NRSA2-001	Non-Regionally Significant Arterial Program
Mobility	Roadway	NRSA2-002	Asset Optimization Program
Operations	Sustainable Development	SD2-001	Land Use-Transportation Connections Program

Operations	Sustainable Development	SD2-002	Community Schools and Transportation Program
Operations	Sustainable Development	SD2-003	Transit-Oriented Development Program
Operations	Sustainable Development	SD2-004	Sustainable Development Funding Program
Operations	Transportation System Management and Operations	TSMO2-001	Intersection Improvement Program
Operations	Transportation System Management and Operations	TSMO2-002	Signal Improvement Program
Operations	Transportation System Management and Operations	TSMO2-003	Bottleneck Improvement Program
Operations	Transportation System Management and Operations	TSMO2-004	Special Events Management Program
Operations	Transportation System Management and Operations	TSMO2-005	Bottleneck Program for Regional Corridors
Operations	Transportation System Management and Operations	TSMO2-006	Intelligent Transportation Systems Implementation Program
Operations	Transportation System Management and Operations	TSMO2-007	Regional Intelligent Transportation Systems Architecture Program
Operations	Transportation System Management and Operations	TSMO2-008	Advanced Traveler Information System Implementation Program
Operations	Transportation System Management and Operations	TSMO2-009	Advanced Traffic Management System Implementation Program
Operations	Transportation System Management and Operations	TSMO2-010	Advanced Public Transportation System Implementation Program
Operations	Transportation System Management and Operations	TSMO2-011	Intelligent Transportation Systems Interoperability Program
Operations	Transportation System Safety	TSSF2-003	Regional Safety Information System
Operations	Transportation System Safety	TSSF2-004	Safety Education and Training Program
Operations	Transportation System Security	TSSC2-001	Transportation System Security Improvements, Expansions, Management, and Operations
Operations	Transportation System Security	TSSC2-504	Transportation Security Education and Training
Operations	Transportation System Security	TSSC2-506	Regional Response Plan Development
Operations	Travel Demand Management	TDM2-200	Regional Vanpool Program
Operations	Travel Demand Management	TDM2-300	Park-and-Ride Facilities
Operations	Travel Demand Management	TDM2-400	Transportation Management Associations

Discontinued Programs

Chapter	Primary Topic/Area	Reference	Description
Environmental	Air Quality	AQ2-001	Air Quality Communication Program
Environmental	Air Quality	AQ2-002	Air Quality Demonstration Program
Environmental	Air Quality	AQ2-003	Air Quality Enforcement Program
Environmental	Air Quality	AQ2-004	Air Quality Partnerships and Collaborations
Environmental	Air Quality	AQ2-005	Air Quality Regional Policies
Environmental	Air Quality	AQ2-006	Air Quality Technology Improvements
Environmental	Environmental Resources	ER2-001	Environmental Data Collection and Resource Agency Consultation Program
Operations	Transportation System Security	TSSC2-502	Transportation and Emergency Responder Uniform Communication System
Technology	Technology	TT2-001	Texas Automated Vehicle Proving Ground/Arlington
Technology	Technology	TT2-002	Automated vehicle infrastructure, technologies and business practices
Technology	Technology	TT2-003	Automated vehicle data infrastructure/traffic signal
Technology	Technology	TT2-004	Travel navigation Information sharing
Technology	Technology	TT2-005	People Mover systems
