- 16. Kelly Allen Gray
- 17. Andrew Piel
- 18. Tito Rodriguez

## **Members of the Staff Present:**

Mike Eastland, Monte Mercer, Doni Green, Michael Morris, Edith Marvin, Molly McFadden, Molly Rendon, David Setzer, Christy Williams, Stephanie Cecil, Dan Kessler, Ken Kirkpatrick, Karen Richard, Emily Beckham, Lori Clark, Donna Coggeshall, Carmen Morones, Karen Richard, Kelly Schmidt, Candice Forsyth, Alex Clark, Donna Jackson

## **REGULAR SESSION**

### **ACTION:**

#### **Item 1 Approval of Minutes**

President Clark asked if there was anyone present who wanted to speak to an item on the agenda. There being no one present requesting to speak, he stated that the first item on the agenda was approval of the minutes from the January Board meeting.

Upon a Motion by Judge Jenkins (seconded by Commissioner Mitchell), and unanimous vote of all members present, the Board approved the minutes of the January Executive Board meeting.

#### **Item 2 Resolution to Accept and Approve the Comprehensive Annual Financial Report for Fiscal Year 2019**

Monte Mercer, Deputy Executive Director, requested acceptance and approval of the NCTCOG Comprehensive Annual Financial Report (CAFR) and single audit reports for the fiscal year that ended on September 30, 2019. NCTCOG also completed the Annual Financial Report for the NCT 9-1-1 District. He explained that the Audit Committee, NCTCOG staff and audit firm representatives met to discuss the CAFR and related reports as presented by Mr. Christopher Breaux, Partner, WhitleyPenn. There were no findings or Management Letter comments on the audit. He recognized the members of the Audit Committee for comments. Judge Whitley made an informational remark to remind the Board that he is no longer associated with the firm WhitleyPenn. Mayor Smith said the auditors were very complimentary of the responsiveness of the staff and the audit and the committee was pleased with the audit.

Upon a Motion by Mayor McCowan (seconded by Mayor Shetter), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 3 Resolution Authorizing Contracts with Dickinson Fleet Services, LLC and TDI Fleet Services for Fleet and Fire Apparatus Service and Repair**

Molly Rendon, Director of Administration, requested authorization of contracts with Dickinson Fleet Services, LLC and Trailer Doctor, Inc., dba TDI Fleet Services, for Fleet and Fire Apparatus service and repair through the North Central Texas Council of Governments SHARE cooperative purchasing program. She explained that following review and evaluation by a committee, these providers were selected to provide mobile maintenance and repair services for fleet and fire apparatus at any of the Fort Worth Fire Department's 44 sub-stations. The services will also be available to all NCTCOG members and participating entities through the SHARE program.

Exhibit: 2020-02-03-AA

Upon a Motion by Judge Whitley (seconded by Judge Sweet), and unanimous vote of all members present, the Board approved the resolution as presented.

*Representative Davis entered the meeting.*

**Item 4 Resolution Approving the North Central Texas Area Plan Federal Fiscal Years 2021-2022**

Doni Green, Director of Aging, asked the Board for approval of the North Central Texas Area Plan for Federal Fiscal Years 2021-2022. She explained that NCTCOG, in its role as the designated Area Agency on Aging (AAA), is required by the Older Americans Act of 1965, as amended, to develop multi-year area plans for its service area. The Texas Health and Human Services Commission (HHSC) similarly requires AAAs to develop multi-year plans. The Regional Aging Advisory Committee reviewed and approved the Plan and recommends it for approval.

Exhibit: 2020-02-04-AG

Upon a Motion by Mayor Heidemann (seconded by Mayor McCowan), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 5 Resolution Authorizing a Contract with Innovative Emergency Management, Inc. for Emergency Operations Checklist Enhancement Services for Emergency Operations Centers**

Molly McFadden, Director of Emergency Preparedness, asked the Board to authorize a contract with Innovative Emergency Management, Inc. for Emergency Operations Checklist Enhancement consulting services for an initial term through January 30, 2021, with the option to renew for up to four additional one-year terms. This contract will be available for use by members the North Central Texas Council of Governments SHARE cooperative purchasing program. She explained that these services will enhance the capabilities of regional Emergency Operations Centers (EOC's) to respond to gaps in identified hazards faced by the North Central Texas region and develop templates for efficient integration of the regional EOC Support Team (EST) personnel impacted by specific threats.

Exhibit: 2020-02-05-EP

Upon a Motion by Commissioner Mitchell (seconded by Judge Whitley), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 6 Resolution Endorsing an Agreement with Tarrant County College District for Urban Search and Rescue Training and Exercises**

Molly McFadden, Director of Emergency Preparedness, requested endorsement of an agreement with the Tarrant County College District to provide Urban Search and Rescue training and exercises in an amount not to exceed \$200,000. She explained that the region has identified a need for urban search and rescue training and exercises and has FY2019 Homeland Security Grant Program funds available for these activities. Tarrant County College District is qualified and has the necessary facilities to provide such services. She told the Board that the availability of resources and scheduling necessitated proceeding with this agreement to ensure courses could take place beginning in March 2020.

Exhibit: 2020-02-06-EP

Upon a Motion by Judge Sweet (seconded by Mayor Heidemann), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 7 Resolution Authorizing Grant Submittal to the Texas Office of the Governor for Statewide Emergency Radio Infrastructure**

Molly McFadden, Director of Emergency Preparedness, requested authorization to submit a grant application to the Office of the Governor, under the 2020 Statewide Emergency Radio Infrastructure Grant, in an approximate amount of \$750,000, to conduct planning activities related to development, enhancement, operation and maintenance of regional interoperability communications infrastructure. She explained these funds must be used to enhance current capabilities or address capability gaps identified by the Texas Department of Public Safety (DPS) or the Texas Interoperable Communications Coalition (TxICC) in either the Texas Statewide Communications interoperability Plan (SCIP) or the DPS Report on Interoperable Communications to the Texas Legislature.

Exhibit: 2020-02-07-EP

Upon a Motion by Mayor Shetter (seconded by Commissioner Mitchell), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 8 Resolution Approving Modifications to the FY2020 and FY2021 Unified Planning Work Program for Regional Transportation Planning**

Dan Kessler, Assistant Director of Transportation, asked for approval of proposed modifications to the Unified Planning Work Program for Regional Transportation Planning (UPWP), which is required by federal and State transportation planning regulations and provides a summary of transportation and related air quality planning tasks. He reviewed the modifications, which included new initiatives, updates to existing projects, funding adjustments and an increase in NCTCOG's allocation of Federal Highway Administration PL-112 Transportation Planning Funds for FY2020.

Exhibit: 2020-02-08-TR

Upon a Motion by Judge Whitley (seconded by Judge Sweet), and unanimous vote of all members present, the Board approved the resolution as presented.

*Councilmember Kleinman left the meeting.*

**Item 9 Resolution Authorizing an Agreement with the Texas A&M Transportation Institute for Technical Assistance to the Texas Department of Transportation Dallas District**

Michael Morris, Director of Transportation, asked for authorization of an agreement with the Texas A&M Transportation Institute for various NCTCOG technical assistance activities, in the amount of approximately \$200,000. He explained that at TxDOT's request, NCTCOG will continue to act as a subcontractor to the Texas A&M Transportation Institute to provide travel modeling technical assistance for the TxDOT Dallas District, through May 31, 2021.

Exhibit: 2020-02-09-TR

Upon a Motion by Commissioner Mitchell (seconded by Judge Whitley), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 10 Resolution Endorsing Grant Application to the Environmental Protection Agency**

Michael Morris, Director of Transportation, asked the Board to endorse submittal of a grant application, in the amount of \$2.5 million, to the Environmental Protection Agency to implement projects to replace diesel vehicles, equipment, or engines; install electric recharging infrastructure; and/or install idle-reduction technology. He explained that the grant submittal deadline for funds available under the 2020 Diesel Emissions Reduction Act (DERA) was February 26, 2020. The project will provide rebate funding for replacing diesel vehicles, equipment or engines; installing electric recharging infrastructure if necessary; or installing idle-reduction technology.

Exhibit: 2020-02-10-TR

Upon a Motion by Judge Jenkins (seconded by Councilmember Caplinger), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 11 Resolution Adopting FY 2021 Criminal Justice Program Policies and Procedures**

Mayor Shetter announced that he would abstain from this vote and the next to avoid the appearance of a conflict of interest because he serves as President of an organization that regularly applies for funds that are available through the Criminal Justice Program. Mayor Shetter left the room.

Kelly Schmidt, Criminal Justice Program Administrator, asked the Board to adopt the Fiscal Year 2021 Criminal Justice Program Policies and Procedures, which are required by an Interlocal Cooperation Agreement with the Governor's Public Safety Office (PSO). She explained that under the agreement, the policies and procedures guide the review and scoring of criminal justice grant applications submitted by local agencies. The Criminal Justice Policy Development Committee has approved and recommends the adoption of the Policies and Procedures.

Exhibit: 2020-02-11-CJ

Upon a Motion by Councilmember Caplinger (seconded by Commissioner Mitchell), and unanimous vote of all members present, except for Mayor Shetter, the Board approved the resolution as presented.

**APPOINTMENTS:**

**Item 12 Appointments to the Criminal Justice Policy Development Committee**

Kelly Schmidt, Criminal Justice Program Administrator, asked the Board to approve seven new proposed appointments and to reappoint seven existing members to a three-year term on the Criminal Justice Policy Development Committee (CJPDC). The CJPDC Nominations Subcommittee reviewed and is recommending the nominations for appointment, as well as recommendations for Chair and Vice-Chair. She explained that the CJPDC assists the Board in establishing criminal justice planning policies and priorities; reviews and prioritizes local requests for criminal justice funding; and encourages public awareness of criminal justice matters.

**Recommendations:**

Chair: Ms. Julie Monge, Collin County Teen Court Coordinator/Juvenile Case Manager  
Vice-Chair: Chief Robert Severance III, Cleburne Police Department

**Proposed New Members:**

Ms. Katherine Boswell, Denton County Friends of the Family

Item Title: Resolution Amending NCTCOG Authorized Representatives for the Texas Local Government Investment Pool ("TexPool")

The North Central Texas Council of Governments (NCTCOG), as a local government of the State of Texas, is empowered to delegate to a public funds investment pool the authority to invest funds and to act as custodian of investments purchased with local investment funds. NCTCOG is a current participant in the Texas Local Government Investment Pool ("TexPool") and desires to amend its authorized representatives to TexPool.

A draft resolution amending NCTCOG authorized representatives to TexPool is attached for Executive Board consideration. The form and manner designated by TexPool to submit such changes is included as Attachment 1.

I will provide a brief presentation of this item and be available to answer any questions prior to requesting Board approval.

**RESOLUTION AMENDING NCTCOG AUTHORIZED REPRESENTATIVES FOR THE TEXAS LOCAL GOVERNMENT INVESTMENT POOL ("TEXPOOL")**

**WHEREAS**, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

**WHEREAS**, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

**WHEREAS**, NCTCOG, as a local government of the State of Texas, is empowered to delegate to a public funds investment pool the authority to invest funds and to act as custodian of investments purchased with local investment funds; and,

**WHEREAS**, NCTCOG participates in the Texas Local Government Investment Pool ("TexPool"), which was created on behalf of entities whose investment objectives in order of priority are preservation and safety of principal, liquidity, and yield consistent with the Public Funds Investment Act; and,

**WHEREAS**, the NCTCOG Executive Board, as the governing body, desires to amend its authorized representatives for TexPool.

**NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:**

**Section 1.** The NCTCOG Executive Board amends the authorized representatives to TexPool by adding the following named individuals: Mike Eastland, Executive Director and Molly Rendon, Director of Administration. Existing authorized representatives remain unchanged.

**Section 2.** The representatives named herein shall be submitted in the form and manner required by TexPool, which is included as Attachment 1.

**Section 3.** This resolution shall be in effect immediately upon its adoption.

---

J.D. Clark, President  
North Central Texas Council of Governments  
County Judge, Wise County

I hereby certify that this resolution was adopted by the Executive Board of the North Central Texas Council of Governments on March 26, 2019.

Item Title: Resolution Adopting Rules to Ensure the Identification, Security, and Confidentiality of Electronic Bids or Proposals

NCTCOG staff has identified electronic bid and proposal submission as a means to increase process efficiencies and encourage greater vendor participation in NCTCOG solicitations. Presently, NCTCOG requires that vendors submit physical proposals by courier or mail to the Purchasing Office, thus having vendors absorb the costs of printing and expedited shipping fees. Received proposals are required to be time-stamped and routed appropriately to ensure they are documented as received before the bid closing time. Purchasing staff then copies these files to distribute among NCTCOG bid evaluation committees, which is a time and labor-intensive effort.

In addition, the ability of the NCTCOG Purchasing team to verify timestamping and to adhere to time specific functions in a solicitation cycle has increased dramatically, as it pertains to auditing. Electronic delivery of bids captures important data relevant to each function of the bid process, increasing staff's ability to provide transparent information for auditing purposes.

To provide an electronic means of receiving and securing bids and proposals, the Executive Board must adopt the required rules by resolution. Local Government Code Chapter 252.0415 states, "A municipality may receive bids or proposals under this chapter through electronic transmission if the governing body adopt rules to ensure the identification, security and confidentiality of electronic bids or proposals remain effectively unopened until the proper time." The draft rules are provided in Exhibit A.

A draft resolution adopting rules to ensure the identification, security, and confidentiality of electronic bids or proposals is attached for Executive Board consideration.

I will be available at the Executive Board meeting should you have any questions.

**RESOLUTION ADOPTING RULES TO ENSURE THE IDENTIFICATION, SECURITY, AND  
CONFIDENTIALITY OF ELECTRONIC BIDS OR PROPOSALS**

**WHEREAS**, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

**WHEREAS**, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

**WHEREAS**, it is necessary for NCTCOG to make purchases of supplies, equipment, materials, services and other items requisite for public purposes; and,

**WHEREAS**, in order to receive bids or proposals in a more timely and efficient manner, NCTCOG desires to accept bids or proposals through electronic transmission; and,

**WHEREAS**, pursuant to Texas Local Government Code Chapter 391.0115(d), NCTCOG may purchase goods or a service only if it complies with the same provisions for purchasing goods or a service equivalent to the provisions, including Texas Local Government Code Chapter 252, applying to a local government; and,

**WHEREAS**, Texas Local Government Code Section 252.0415 authorizes receipt of bids or proposals through electronic transmission, provided the governing body first adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and to ensure that the electronic bids or proposals remain effectively unopened until the proper time; and,

**WHEREAS**, the NCTCOG Executive Board deems it necessary to adopt rules to ensure the identification, security, and confidentiality of electronic bids or proposals.

**NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:**

**Section 1.** The North Central Texas Council of Governments Executive Board adopts electronic bidding rules to ensure the identification, security, and confidentiality of electronic bids or proposals, which are attached hereto as Exhibit A.

**Section 2.** This resolution shall be in effect immediately upon its adoption.

---

J.D. Clark, President  
North Central Texas Council of Governments  
County Judge, Wise County

I hereby certify that this Resolution was adopted by the Executive Board of the North Central Texas Council of Governments on March 26, 2020.

---

Curtistene McCowan, Secretary-Treasurer  
North Central Texas Council of Governments  
Mayor, City of DeSoto

**EXHIBIT A**  
**RULES ENSURING THE IDENTIFICATION, SECURITY, AND CONFIDENTIALITY OF ELECTRONIC**  
**BIDS OR PROPOSALS**

When entering into an agreement with a third-party provider ("Provider") to assist the NCTCOG with electronic bidding services, such Provider must agree to provide a system that meets the following standards:

- All logins and registered use of the system are required to be performed via a Secure Socket Layer (SSL) which ensures 256-bit encryption to and from individual user's computers.
- The SSL should be a cryptographic protocol that provides communication security over the Internet, encrypting the segments of network connections above the Transport Layer, using asymmetric cryptography for key exchange, symmetric encryption for privacy, and message authentication codes for message integrity. This protocol allows client-server applications to communicate across a network in a way designed to prevent eavesdropping and tampering.
- The SSL Certificate of the system should encrypt all information moving to and from the website. This means no exchange between the Provider and its visitors can be intentionally or accidentally "overheard" or tampered with by a third party, regardless of whether the visitor is uploading, submitting, or downloading documents, including the viewing of submitted bids and proposals. The SSL Certificate should not only confirm the identity of the Provider to the visitor's browser, but also should encrypt information sent and received by the Provider.
- The system must utilize a high-grade 256-bit SSL encryption to protect online transactions and use of the system. The coding and encryption of the system must prevent the opening and access of bids and proposals by any user other than the vendor who submitted documents through the Provider's website. A "security curtain" should be encoded into the system that prevents NCTCOG staff from viewing the source of vendor submitted bids and proposals and the actual submitted documents until the designated bid closing date and time has passed. With the release of the access and information restriction to the NCTCOG at the bid closing time, the security curtain instantly falls in place for vendors so they can no longer access the documents they have submitted. This code for the security curtain must be written and password protected within the administrator panel of the system so it is not accessible to either NCTCOG or vendor users at any time.

Director of Aging Programs

Item Title: Resolution Authorizing Contracts with Residential Repair Providers

The North Central Texas Council of Governments (NCTCOG), in its capacity as the 14-county Area Agency on Aging (AAA), administers a residential repair through which it makes minor home modifications that are essential for residents' health and safety. Most commonly authorized repairs include construction of wheelchair ramps and handrails and installation of grab bars.

NCTCOG has approximately \$300,000 budgeted in FY 2020 for AAA residential repair services. It controls expenses by serving as a payer of last resort (i.e., avoiding paying for repairs that are available through other programs) and requiring that its case managers authorize each repair job on the basis of available funds.

In order to obtain best value and highest quality for residential repair services, NCTOG recently conducted a competitive procurement. It received two applications which were evaluated by a review committee consisting of NCTCOG staff. The review committee recommends contracting with both respondents, with Lookup Properties, Inc. as the primary contractor and Golden Years Renovations, LLC as the secondary contractor. The contracts would be in effect for Federal Fiscal Year 2020, ending September 30, 2020, with an option to extend for up to three consecutive years with both parties' consent.

A draft resolution authorizing contracts with Lookup Properties, Inc. and Golden Years Renovations, LLC for a maximum four-year term and in a cumulative amount not to exceed \$1,000,000, is attached for Executive Board consideration.

I will be available March 26<sup>th</sup> should you or the Board have any questions.

Thank you.

## RESOLUTION AUTHORIZING CONTRACTS WITH RESIDENTIAL REPAIR PROVIDERS

**WHEREAS**, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

**WHEREAS**, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

**WHEREAS**, NCTCOG has been designated as the Area Agency on Aging for State Planning Region 4A by Texas Health and Human Services (HHS); and,

**WHEREAS**, NCTCOG is strongly committed to helping older persons remain safely in their homes; and,

**WHEREAS**, NCTCOG receives funding from HHS that may be used for Residential Repair services; and,

**WHEREAS**, NCTCOG Request for Proposals (RFP) #2019-050 for Residential Repair services was advertised and proposals received were opened on January 13, 2020; and,

**WHEREAS**, following evaluation, contracts are recommended for award to Lookup Properties, Inc. and Golden Years Renovations, LLC; and

**WHEREAS**, NCTCOG has complied with Federal and State regulations regarding contract and procurement proceedings for this procurement # 2019-050.

### **NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:**

- Section 1.** The NCTCOG Executive Board hereby authorizes contracts with Lookup Properties, Inc. and Golden Years Renovations, LLC for residential repair services, for maximum four (4) year terms and in a cumulative amount not to exceed \$1,000,000.
- Section 2.** The Executive Director or designee is authorized to execute agreements necessary to carry out this program, in the name of the North Central Texas Council of Governments.
- Section 3.** This resolution shall be in effect immediately upon its adoption.

Item Title: Resolution Authorizing Agreements for the Receipt of Funds for Planning and Implementation Programs from the Texas Department of Transportation

The Executive Board has previously approved funding for continuation and enhancement of ongoing transportation and air quality initiatives and for new projects implemented and managed by the North Central Texas Council of Governments (NCTCOG) staff for Fiscal Year (FY) 2020 activities. The resolution approving receipt of revenue and execution of necessary agreements is included in the agreements with the Texas Department of Transportation (TxDOT).

The Regional Transportation Council (RTC) approved the programming of funds for these projects at various times, including two additional FY2020 agreements. This information is included in the attached table. Additionally, the Executive Board previously approved submittal of a grant application and execution of an Agreement with the Federal Highway Administration (FHWA) for the IH45 Zero Emission Vehicle Corridor Plan. However, FHWA requested NCTCOG to work with TxDOT to administer awarded funding. In preparation for development and execution of FY2020 agreements, staff is requesting Executive Board approval to receive approximately \$5.1 million (\$4,000,000 STBG + \$80,000 Category 10 + \$1,000,000 State match + \$20,000 RTC Local). Attachment 1 contains a table detailing individual funding agreements. NCTCOG will coordinate with TxDOT to enter into agreements to receive these funds.

A draft resolution authorizing the receipt of funds for planning and implementation programs is attached for Executive Board consideration. I will provide a brief presentation of this item and will be available to answer any questions.

Item Title: Resolution Endorsing INFRA Grant Applications Submitted to the United States Department of Transportation

In January 2020, the United States Department of Transportation (USDOT) announced availability of Fiscal Year (FY) 2020 funds for the Infrastructure for Rebuilding America (INFRA) Discretionary Grant Program. As specified in the Fixing America's Surface Transportation (FAST) Act, the INFRA Discretionary Grant Program is dedicated for surface transportation projects expected to have a significant impact on the nation, a region, or a metropolitan area. The Notice of Funding Opportunity (NOFO) indicated availability of \$906 million nationwide for the INFRA Discretionary Grant Program in 2020, and final applications were due to USDOT on February 25, 2020. The following projects were submitted: North Texas Multimodal Operations, Velocity, Efficiency, and Safety (MOVES) Program, and the Hyperloop Certification Center.

The North Texas MOVES Program had been previously submitted through the INFRA Program, and was revised to include construction of rail capacity and operations improvements along the Trinity Railway Express (TRE) corridor in Dallas, Fort Worth, Hurst, and Richland Hills, as well as implementation of an inter-carrier operations information system called ClearPath Technology. The Hyperloop Certification Center would comprise development of a six-mile domestic test corridor for hyperloop technology on public rights-of-way either between Arlington and Dallas Fort Worth International Airport along the current State Highway (SH) 360 alignment, or between the SH 121 and President George Bush Turnpike (PGBT) interchanges in Irving and Coppell along the current Interstate Highway (IH) 635 alignment. The INFRA application for the Hyperloop Certification Center represented support of USDOT's Non-Traditional and Emerging Transportation Technology (NETT) Charter to facilitate rapid testing and deployment of such innovative technologies to improve the nation's surface transportation network.

The Regional Transportation Council (RTC) endorsed the submission of the above projects to the USDOT under the INFRA Discretionary Grant Program on February 27, 2020. RTC endorsed the projects because both the NOFO and submittal deadline occurred between the dates of the regularly scheduled January 2020 meeting and the rescheduled February 2020 meeting. Additionally, the rescheduled February 2020 meeting occurred the same day as the February 2020 Executive Board meeting, and therefore from an administrative standpoint, staff is requesting endorsement of the INFRA Grant applications during this Executive Board meeting. If awarded, staff will work with USDOT on the most efficient method to transfer these funds to the region.

A draft resolution authorizing endorsement of the FY 2020 INFRA Grant application is attached for Executive Board consideration. I will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board approval.

**WHEREAS**, in January 2020, the United States Department of Transportation (USDOT) announced the solicitation of projects for the FY 2020 Infrastructure for Rebuilding America (INFRA) Discretionary Grant Program; and,

**WHEREAS**, on February 27, 2020, the Regional Transportation Council (RTC) endorsed the submittal of two applications for a total of \$56.25 million in funding under the INFRA Discretionary Grant Program, subject to confirmation of local government support; and,

**NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:**

- Section 1.** The NCTCOG Executive Board endorses the submittal of two grant applications to the USDOT under the INFRA Discretionary Grant Program in the amount of \$56.25 million, as detailed in Attachment 1.
- Section 2.** The Executive Director instructs staff to work with USDOT and partner agencies to determine the most efficient method to bring these funds to the region and implement these projects.
- Section 3.** NCTCOG is authorized to receive approximately \$56.25 million in INFRA Grant Program funds, if awarded, and subject to Section 2.
- Section 4.** If awarded, these funds shall be incorporated into the appropriate fiscal year budgets, Transportation Improvement Program, Unified Planning Work Program, and other planning/administrative documents.

**Section 5.** The Executive Director of designee is authorized to execute agreements necessary to carry out this program, including agreements of receipt of matching funds, in the name of NCTCOG.

Item Title: Resolution Authorizing a Contract with AECOM Technical Services, Inc. (AECOM) to Conduct a Transit Planning Study in Southern Dallas County

The North Central Texas Council of Governments (NCTCOG) is seeking planning expertise to develop a comprehensive approach to planning and implementing transit services outside of transit authority service areas in Southern Dallas County. This project is funded through the Surface Transportation Block Grant Program funds and utilizing Transportation Development Credits (TDCs) in lieu of local match.

On December 6, 2019, NCTCOG issued a Request for Proposals (RFP) to solicit consultant assistance for the project. Two proposals were received in response to the RFP. The Consultant Selection Committee met on February 4, 2020, to review and evaluate proposals and recommended AECOM to complete this project. Executive Board approval will be requested to enter into a consultant contract with AECOM in an amount not to exceed \$440,000 (\$440,000 FTA funds and 88,000 in TDCs in lieu of local match). AECOM has committed to meet a minimum Disadvantaged Business Enterprise participation goal of 35.4 percent for this project.

A draft resolution authorizing NCTCOG to enter into a consultant contract with AECOM in an amount not to exceed \$440,000 to conduct a Transit Planning Study in Southern Dallas County is attached for Executive Board consideration. I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Board approval.

Item Title: Resolution Authorizing a Contract with HDR Engineering, Inc. to Conduct a Transit Planning and Passenger Rail Corridor Study in Collin County

The North Central Texas Council of Governments (NCTCOG) is seeking consultant assistance to develop a comprehensive approach for planning and strategic implementation of transit services focusing on member and nonmember cities in Collin County that includes internal and regional connections, increased transportation options and innovation, people movement, feasible funding options, and private sector participation. This study will include investigation of mobility options along the Irving to Frisco Passenger Rail Corridor, with limits from downtown Irving to north Frisco, including additional analysis investigating passenger rail service to Celina for a total of 37 miles. The transit planning portion of this study in Collin County is funded with federal Surface Transportation Block Grant (STBG) funds, utilizing Transportation Development Credits (TDCs) in lieu of local match; the Irving to Frisco Passenger Rail Corridor portion of this study is funded with Regional Toll Revenue (RTR) funds, no local match is required.

On December 6, 2019, NCTCOG issued a Request for Proposals (RFP) to solicit consultant assistance for the project. Three proposals were received in response to the RFP. The Consultant Selection Committee met on January 31, 2020 to review and evaluate proposals and requested interviews from two firms, which occurred on February 14, 2020. The Consultant Selection Committee recommended HDR Engineering, Inc. to complete this project. Executive Board approval will be requested to enter into a consultant contract with HDR Engineering, Inc. in an amount not to exceed \$690,000 (\$590,000 STBG funds, utilizing 118,000 in TDCs in lieu of local match, and \$100,000 RTR funds). HDR Engineering, Inc. has committed to meet a minimum Disadvantaged Business Enterprise participation goal of 32 percent for this project.

Item Title: Resolution Authorizing an Agreement with McKinney Avenue Transit Authority for Transit Service between Uptown and Downtown Dallas

McKinney Avenue Transit Authority requested funding from the North Central Texas Council of Governments to support their Improved Service Frequency Plan, which includes the addition of a railcar to increase service and enhance connectivity between Uptown and Downtown Dallas. A community survey commissioned by the Uptown Dallas, Inc. Public Improvement District found that that residents, local businesses, and McKinney Avenue Trolley riders needed more frequent service in the area. As a result, McKinney Avenue Transit Authority, the operator of the McKinney Avenue Trolley, tested ridership using an additional railcar during weekdays in October and November 2019, which resulted in ridership increasing 30 percent. The funding will support operational functions for the first two years of increased service while McKinney Avenue Transit Authority secures additional long-term funding.

The Regional Transportation Council authorized funding for this project on February 27, 2020, utilizing Regional Toll Revenue funds previously authorized for transit projects. Staff is requesting Executive Board approval to enter into an agreement with McKinney Avenue Transit Authority in an amount not to exceed \$650,000 to support the Improved Service Frequency Plan for the McKinney Avenue Trolley and ensure enhanced connectivity between Uptown and Downtown Dallas. There is no local match required.

A draft resolution authorizing an agreement with McKinney Avenue Transit Authority in an amount not to exceed \$650,000 is attached for Executive Board consideration. I will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board approval.

Item Title: Resolution Authorizing a Contract with Intercomp Corporation for Commercial Vehicle Enforcement Portable Weighing Scales and Scale Training

The Fiscal Year (FY) 2020 and FY2021 Unified Planning Work Program Element 5.05 provides for the development of a Commercial Vehicle Enforcement (CVE) Equipment and Training Program as a component of the regional Traffic Incident Management Program. The new program will provide North Central Texas CVE agencies with needed portable weighing scales and equipment training. The program goal is to reduce the number of crashes caused by overloaded and unsafe commercial motor vehicles and to protect regional roadways and bridges from damage by enforcing compliance with state laws regulating commercial vehicle weight.

NCTCOG released a Request for Proposals (RFP) for the Commercial Vehicle Enforcement Equipment and Training program on November 1, 2019. Three vendors submitted proposals in response to the RFP. The Consultant Selection Committee (CSC) met on December 18, 2019 to discuss and evaluate the submitted proposals. Based on the outcome of the evaluation and confirmation of product compliance with Federal Highway Administration Buy America requirements, the CSC recommended Intercomp Corporation to complete the scope of work for this project. Executive Board approval will be requested to enter into a contract with Intercomp Corporation in an amount not to exceed \$250,000 (\$250,000 Congestion Mitigation and Air Quality Improvement Program funds and 50,000 Transportation Development Credits in lieu of local match). Due to the lack of subcontracting opportunities, there is no Disadvantaged Business Enterprise participation goal for this contract.

A draft resolution authorizing a contract with Intercomp Corporation for the purchase of portable weight enforcement scales and equipment training in an amount not to exceed \$250,000 is attached for Executive Board consideration. This is expected to cover the purchase of up to 30 sets of portable scales and training. I will provide a brief presentation on this item and be available to answer any questions prior to requesting Board approval.

Item Title: Resolution Authorizing Personal Services Agreement with Sandra Wesch to Expedite Environmental and Design Review for Surface Transportation Projects

The North Central Texas Council of Governments (NCTCOG) staff wishes to continue to retain the services of Sandra Wesch through a personal services agreement to support environmental clearance and design review for surface transportation projects. Ms. Wesch has over 30 years of experience in the environmental clearance of major transportation projects in both the public and private sectors. The Executive Board previously approved a personal services agreement with Ms. Wesch, which expires March 31, 2020. This engagement has been very successful.

The Scope of Services for Ms. Wesch is to assist in the development of the environmental documentation of the Collin County Outer Loop and the Dallas to Fort Worth High-Speed Transportation Connections Study, as well as other technical assistance as may be required. These are long-term activities that require specialized expertise. Ms. Wesch will be focusing on the alternatives analysis and environmental review for the Dallas to Fort Worth High-Speed Transportation Service. Her scope activities include, but are not limited to, the following: writing sections and providing technical support for the environmental documents, coordinating with local governments and stakeholders, reviewing of reports and designs, developing presentation materials, and providing advice and recommendations with respect to environmental clearance and design issues. Ms. Wesch is expected to provide an average of 25 hours per week of services in support of the Scope of Work over a four-year period.

Staff requests authorization to enter into a personal services agreement for an amount not to exceed \$700,000 over a four-year period. The funding source is existing Regional Toll Revenue funds (\$600,000), and Regional Transportation Council (RTC) Local Funds (\$100,000) programmed by the RTC for environmental and planning support for surface transportation projects. These funds are in an existing funding agreement with the Texas Department of Transportation. The RTC will be requested to approve \$100,000 in RTC Local funds to support this contract at its meeting in April. There is no local match requirement.

A draft resolution authorizing NCTCOG to enter into a personal services agreement with Sandra Wesch in an amount not to exceed \$700,000 is attached for Executive Board consideration. I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Board approval.

Item Title: Resolution Authorizing a Denton Workforce Center Lease

The North Central Texas Council of Governments (NCTCOG), in its capacity as the Administrative Entity and designated Grant Recipient/Fiscal Agent of the North Central Texas Workforce Development Board, currently operates a workforce center located at 1300 Teasley Lane in Denton Texas. The following information pertains to the current lease:

- Owned by Shady Oaks Partnership, Ltd.
- Contains twenty thousand (20,000) square feet of space
- Price per square foot totals \$18.25 (excluding janitorial and utilities)
- Lease Expires on March 31, 2021

The existing facility, as currently configured, does not have the space capacity to accommodate the anticipated twenty-one (21) Texas Workforce Commission Vocational Rehabilitation (VR) staff integrating within the Denton Workforce Center. NCTCOG staff, in conjunction with real-estate consultant Avison Young, have performed a search for suitable accommodations within the Denton area and recommend the following location:

- Location: 5800 Interstate 35, Denton, TX. This is a favorable location at the southeast quadrant of Interstate 35 and Loop 288.
- Landlord: LAD Ventures, LLC
- Lease duration: Ten (10) years
- Occupancy: Anticipated April 1, 2021
- Square footage: Not to exceed 30,000 square feet which accommodates the additional VR staff.
- Price: \$18.31 average price per square foot (net of taxes, insurance, utilities, janitorial, and common area maintenance); year one (1) rent totals \$17.50 per square foot with a one (1) % annual increase. This price per square foot is within market rate as reflected in Exhibit A.
- Parking: Six (6) parking places per one thousand (1,000) square feet (approximately one hundred and sixty (160) parking spaces) which is very favorable. Four (4) parking places per one thousand (1,000) square feet is common with similar commercial leases.

A draft resolution authorizing a ten (10) year lease with LAD Ventures, LLC for the new Denton Workforce Center is attached for Executive Board consideration.

I will provide a brief presentation on this item and be available to answer any questions prior to requesting Board approval.

## RESOLUTION AUTHORIZING A DENTON WORKFORCE CENTER LEASE

Item Title: Resolution Approving Materials Management Call for Projects Funding  
Recommendations and Authorizing Agreements with Subrecipients

The North Central Texas Council of Governments (NCTCOG) is the designated regional solid waste management planning agency for the 16-county NCTCOG region. Each biennium NCTCOG receives allocated state funds through the Texas Commission on Environmental Quality (TCEQ) to provide solid waste management planning, technical assistance to our member governments, and administer subrecipient grants. TCEQ allocated approximately \$2.3 million to NCTCOG for the current biennium, with 60% allocated to implementation funds and 40% allocated to NCTCOG administrative funds.

NCTCOG's Resource Conservation Council (RCC) recommended, with TCEQ's concurrence, a sub-allocation of the implementation funds of approximately 84% for local government projects and 16% for regional projects administered by NCTCOG. The RCC recently completed a competitive call for projects to allocate \$1,141,698.80 for solid waste grants to local governments. On February 13, 2020, the RCC approved and recommended sixteen (16) local government projects for Executive Board approval. NCTCOG staff will seek final review and approval of project eligibility and compliance with state guidelines by TCEQ prior to entering into agreements with subrecipients. Two regional projects to be administered by NCTCOG in an amount totaling \$220,000 were previously approved by the RCC and the Executive Board.

In order to fully expend the grant funds available to our region by our August 31, 2021 deadline, and to encourage the grant funds to continue to be distributed to our region, staff is also requesting authorization to reallocate any unexpended funds at the direction of the RCC, with the approval of TCEQ. The budgeted funds will remain at \$1,141,698.80, as indicated in Attachment 1.

A draft resolution approving the Materials Management Call for Projects funding recommendations and authorizing agreements with subrecipients, subject to final TCEQ approval, is attached for Executive Board consideration. I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Executive Board approval.

**WHEREAS**, the Resource Conservation Council (RCC), NCTCOG's solid waste advisory committee, recommends allocation of solid waste funds to the NCTCOG Executive Board for the region, per Texas Commission on Environmental Quality (TCEQ) guidelines; and,

**WHEREAS**, the RCC has conducted a competitive call for projects to allocate approximately \$1,141,698.80 for local implementation grant projects and is recommending funding for sixteen projects for fifteen local government subrecipients; and,

**WHEREAS**, the call for projects was conducted according to the procedures set forth in the agreement between NCTCOG and the TCEQ and the projects recommended for funding meet TCEQ requirements; and,

**WHEREAS**, NCTCOG provided opportunity for public review and comment on the project applications as required by the TCEQ and NCTCOG will seek final review and approval of project eligibility and compliance with state guidelines by TCEQ prior to entering into agreements with subrecipients; and,

**WHEREAS**, the RCC has the ability to act in a technical capacity to recommend the priorities for reallocation of any unexpended funds prior to the August 31, 2021 TCEQ deadline.

**NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:**

**Section 1.** The NCTCOG Executive Board approves the Materials Management Call for Projects funding recommendations and authorizes subrecipient agreements as identified in Attachment 1.

**Section 2.** The NCTCOG Executive Board authorizes reallocation of any unexpended funds at the recommendation of the RCC and with approval from TCEQ.

**Section 3.** The Executive Director or designee is authorized to execute agreements necessary to carry out this program, in the name of the North Central Texas Council of Governments.

Item Title: Resolution Increasing Delegated Authority of the Executive Director to  
Ensure Continuity of NCTCOG Operations

The North Central Texas Council of Governments (NCTCOG) Executive Board, through adoption of its annual fiscal program, delegates signatory authority to the NCTCOG Executive Director for agreements in amounts not to exceed \$100,000. Due to the uncertainty and continually evolving circumstances surrounding the COVID-19 pandemic, staff is recommending increased delegated authority for a limited time period to ensure continuity of operations for the agency. This will facilitate, to the best of its ability, NCTCOG continuing to serve its member governments and the public in this time of crisis.

A draft resolution increasing delegated authority to the NCTCOG Executive Director or designee to ensure continuity of operations is attached for Executive Board consideration. Any agreements executed under this authority, in excess of \$100,000, will be brought back to the Executive Board for endorsement. I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Board approval.

**RESOLUTION INCREASING DELEGATED AUTHORITY OF THE EXECUTIVE DIRECTOR TO  
ENSURE CONTINUITY OF NCTCOG OPERATIONS**

**WHEREAS**, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

**WHEREAS**, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

**WHEREAS**, the Texas Governor issued a statewide disaster declaration on March 13, 2020, related to the coronavirus (COVID-19) pandemic; and,

**WHEREAS**, the NCTCOG Executive Board recognizes the current environment in the community creates uncertainty and may postpone or prevent meetings and other discussions necessary to operate the agency under normal business conditions; and,

**WHEREAS**, NCTCOG staff recommends increasing delegated authority of the Executive Director or designee to execute all agreements necessary to ensure continuity of agency operations and facilitate, to the best of its ability, serving NCTCOG member governments and the public in this time of crisis.

**NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:**

**Section 1.** The NCTCOG Executive Board increases the FY2020 delegated authority of the Executive Director or designee to execute all agreements necessary to ensure continuity of agency operations.

**Section 2.** The increased delegated authority shall remain in effect until terminated by the NCTCOG Executive Board, or until the Texas Governor's March 13, 2020, COVID-19 disaster declaration is lifted or expires.

**Section 3.** Any agreements executed hereunder in amounts greater than \$100,000 shall be presented to the Executive Board for endorsement within sixty (60) days following the termination or expiration described in Section 2.

**Section 4.** This resolution shall be in effect immediately upon its adoption.

---

J.D. Clark, President  
North Central Texas Council of Governments  
County Judge, Wise County

I hereby certify that this resolution was adopted by the Executive Board of the North Central Texas Council of Governments on March 26, 2020.

Item Title: Status Report on NCTCOG Regional SolSmart Designation Application Submittal

SolSmart is a national designation program designed to recognize communities that have taken key steps to address local barriers to solar energy and foster the growth of mature local solar markets. The SolSmart designation team, led by the International City/County Management Association (ICMA), awards communities based on the actions they take to reduce barriers to solar energy development, and receive designations of SolSmart Gold, Silver, and Bronze.

In 2018, North Central Texas Council of Governments (NCTCOG) completed a contract as a SolSmart Advisor and assisted five local governments in North Central Texas with becoming SolSmart designated. The cities of Cedar Hill, SolSmart Gold; Denton, SolSmart Bronze; Kennedale, SolSmart Silver; Lewisville, SolSmart Bronze; and Plano, SolSmart Bronze are all designated as SolSmart communities. In addition, NCTCOG has received grant funds that have allowed NCTCOG the opportunity to develop best practices, a website – [www.gosolartexas.org](http://www.gosolartexas.org), provide regional trainings and workshops, and other resources to reduce the soft costs associated with increased solar energy system deployment.

Currently, there are 360 SolSmart designated communities in the United States including three regional council organizations. Due to NCTCOG's previous work in this area and the resources that have been developed, NCTCOG staff intends to submit an application to receive SolSmart designation as a regional organization. NCTCOG has evaluated work already completed in comparison to the requirements for designation and expects that work already completed will warrant the Bronze SolSmart designation.

I will provide a brief presentation on this item and will be available to answer any questions.

NCTCOG EXECUTIVE BOARD  
MARCH 26, 2020

## SolSmart Regional Designation

Due to NCTCOG's previous work as a SolSmart Advisor and the resources that have been developed, NCTCOG would like to apply to the SolSmart designation program to receive a regional designation.

Of the **360** SolSmart designated communities across the county, only **three** are regional council organizations.

**3**/**360**

- Metropolitan Council, MN
- Norther Virginia Regional Commission, VA
- South Bay Cities Council of Governments, CA

NCTCOG is confident that based on previous work, our region could receive the Bronze SolSmart designation making NCTCOG the fourth SolSmart designated region.
