

North Central Texas Council of Governments

SUMMARY

Illicit Discharge Detection and Elimination Task Force
9:30 a.m. Thursday, July 8th, 2021

1. **Welcome and introductions.**

ACTION/DISCUSSION ITEMS

2. **Meeting Summary.** The March 23rd meeting summary is available [online](#) for review.

The meeting summary was approved, as presented.

3. **FY 2021 Training.** NCTCOG staff will give updates or solicit input for FY 2021 training events.

- a. **Advanced Dry Weather Field Screening Training.**

Date: July 27th, 2021

Time: 9:00 AM-3:30 PM

Registration Link: <https://evt.to/oddhgwiw>

- b. **Industrial Inspectors Workshop.** NCTCOG staff will solicit input from the Task Force. We are looking for possible training dates, locations, and instructors.

The group discussed when the industrial training should be held. COG staff shared with the group that Peterbilt is available to host the training in October. The group agreed that the training should be held during the week of October 25th. The Cities of Dallas, Arlington, and Fort Worth volunteered to instruct part of the training. COG staff will follow up with those cities to finalize instructors. We are still in need of a Phase II city to present on their industrial program. COG staff will reach out to other Phase II communities to volunteer for this portion of the training.

4. **Case Study Presentation.** The City of Dallas will present a case study to the group.

Mike Glover with the City of Dallas presented on the department's collaboration with the City of Dallas Marshal's office to investigate illegal dumping complaints. The presentation is posted to the IDDE task force page [here](#).

ROUNDTABLE DISCUSSION AND OTHER BUSINESS

5. **Roundtable Topics.** IDDE Task Force members and NCTCOG staff will share additional items as time allows.

NCOTCOG - The hardcover IDDE Field Guidebooks is currently out of stock. COG staff asked the group if they still need hardcover IDDE Field Guidebooks. Many of the Cities said they use the book and prefer the hardcover to use it in the field.

NCTCOG – As the COG begins transitioning back into the office, the group was asked what meeting format they want moving forward (virtual, in-person, or hybrid). The group liked the idea of one yearly meeting in person and all others held virtually. For the next meeting in December, a few cities expressed interest in meeting in person and having the meeting in a hybrid format.

The City of Mansfield – Waiting for TCEQ to approve the publishing of their SWMP.

DFW Airport – will be posting positions in August. Please check the website if you are interested in applying.

The City of Denton – Finished its audit with TECQ.

The City of Dallas has been getting an increase in calls for sanitary overflows from private homes and apartment complexes.

6. **Schedule for the Next Meeting.** December 9th, 2021, at 9:30 a.m.
7. **Adjournment.**

North Central Texas Council of Governments
