

Regulatory Update

- EPA Stormwater Rule
 - EPA did not meet June 10, 2013 deadline to publish draft stormwater rule
 - Economic analysis holding up release; no information on revised schedule
 - New presentation posted on EPA Stormwater Rulemaking website reflects most recent official information
 - <http://cfpub.epa.gov/npdes/stormwater/rulemaking.cfm>

Regulatory Update

Phase II MS4 General Permit Renewal

- On Commissioner's Agenda for December 11th meeting
- TCEQ anticipates that the permit will be posted to the web approximately 2 weeks before the meeting
- Still required to submit annual report for latest permit year by November 12, 2013
 - Include any new implementations
- New and existing MS4s will have 180 days to submit NOI and SWMP
