  - Margaret Hunt Hill/Ron Kirk bridges/Trinity Groves – Pedestrian Bridge and retail activation
  - Singleton/Sylvan Thirty/Belmont – Complete Streets/Bike Lanes/Retail Activation

# Public Works Construction Standards

---

- Anticipated Release Date: Fall 2017
- Will be available for purchase as a PDF

# Public Works Construction Standards

---

- **Division 100** – Complete pending PWC review.
- **Division 200** – Complete pending PWC review.
- **Division 300/400** – Under NCTCOG review.
- **Division 500/600 and Division 700/800** – Draft versions complete and will be posted on NCTCOG website to view.

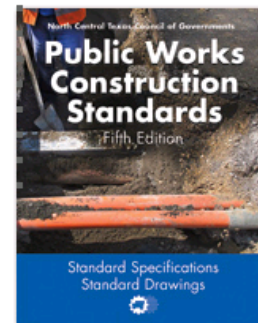

# Public Works Construction Standards

---

- To review the draft documents of each Division, please go to:  
<http://www.nctcog.org/envir/SEEDevEx/pubworks/standards.asp>
- Drafts documents of Division 600, 700, 800 are posted

## Update to the Construction Standards

As part of the continued effort between NCTCOG and the public works industry in North Central Texas, Public Works Construction Standards – North Central Texas, 2004 Version is in the process of being updated for a fall 2017 release date. Below please find the current review status of each of the Construction Standards divisions. Please note we will be uploading draft versions to our website as each division completes the review process. These draft documents are likely to change pending the public comment period which is expected to occur in the July 2017 timeframe. We hope that these draft documents can provide guidance throughout our region as we work to complete this update.

- Division 100- Complete pending PWC review.
- Division 200- Complete pending PWC review.
- Division 300- Under NCTCOG review.
- Division 400- Under NCTCOG review.
- Division 500- Attachment "NCTCOG Draft Version of Division 500."
- Division 600- Attachment "NCTCOG Draft Version of Division 600."
- Division 700- Attachment "NCTCOG Draft Version of Division 700."
- Division 800- Attachment "NCTCOG Draft Version of Division 800."

Please enter your name and email address, then press *Get Files* to view and download the draft files.

# 18<sup>th</sup> Annual Public Works Roundup

**Date:** May 10, 2017  
**Location:** Grapevine Convention Center  
Grapevine, TX

# 18<sup>th</sup> Annual Public Works Roundup

### Rethinking Renewal Prioritization

- Age rarely correlates with condition (Water Research Foundation)
- 70% to 90% of replaced pipelines have remaining life (US EPA)
- "New" technology may be proven technology
- Failure of large mains cause biggest impact

Presented by [Name]

# 18<sup>th</sup> Annual Public Works Roundup

---

Thank you for attending our Roundup! We look forward to seeing you next year!

# FY 2017 Work Program Update

---

## Additional Activities:

**Develop Partnerships with Regional Associations for exploration of training opportunities:** Partner with regional chapter of the Texas Public Works Association (TPWA), the American Public Works Association (APWA), the Texas Floodplain Management Association (TFMA), UT Arlington's Public Works Training Institute, the Texas Asphalt Pavement Association, and/or local private sector entities to develop specific trainings for public works members.

**Training for Contractors or Inspectors:** Develop or bring in training to address equipment operating, safety, and other issues for contractors, inspectors, and public works members.

# FY 2017 Work Program Update

---

- Upcoming trainings:
  1. Construction best practices
  2. Field issue courses (i.e. erosion control or storm water management) for utilities and streets
- July and August timeframe.
- Currently requesting applications for instructors, if you or anyone you know would like to apply to be an instructor for one of these trainings, please let me know.

# Requesting Instructors for Public Works Trainings

---

## New Brand, New Partnerships

- TDI is operating in collaboration with NorthTexasSHARE – the region's central tool for shared opportunities and contracts
- We provide an opportunity for entities in the region to benefit from our procurement process and Contracts related to our Learning Management System

## Latest Instructor Listings

---

[Request for Qualifications - Field Issues for Public Works Professionals](#) - ARLINGTON, Texas

[Request for Qualifications - Construction Best Practices for Public Works Professionals](#) - ARLINGTON, Texas

[Field Technician Training \(Non-Potable Water Sampling\)](#) - ARLINGTON, Texas

To apply for these trainings, please visit: <https://trainatcog.silkroad.com/>.

# Save the Date!

---

Upcoming trainings and events in the region:

- *ADA Compliance Training: **August 7-8** (1 and a half day course) and **October 4** (1 day course)*
- *AGC/TxDOT Regional Safety Seminar in Grapevine on **June 15, 2017***
- *Dallas Area Forecast Meeting and Fish Fry: **Tuesday, May 23, 2017** at T-K-O Equipment Co. which is located at 2850 Hardrock Road in Grand Prairie. The event will begin at 5:30 p.m. with a brief reception and the fish fry will follow at 6:00 p.m.*

# FY 2018 Work Program Discussion

---

- Potential additional program activities for FY 2018:

**A. Develop Partnerships with Regional Associations for exploration of training opportunities:** Partner with regional chapter of the Texas Public Works Association (TPWA), the American Public Works Association (APWA), the Texas Floodplain Management Association (TFMA), UT Arlington's Public Works Training Institute, the Texas Asphalt Pavement Association, and/or local private sector entities to develop specific trainings for public works members.

**B. Training for Contractors or Inspectors:** Develop or bring in training to address equipment operating, safety, and other issues for contractors, inspectors, and public works members.

**C. SPROW Field Visits:** Host SPROW-related field visits to requested sites for education and case study purposes.

**D. Continuation of Cooperative Purchase of Public Works materials:** Continuation of cooperative purchase programs to include desired Public Works resources. For example, this year, we are working on a cooperative purchase program for pavement management prioritization systems.

**E. Public Outreach:** Explore the creation of creative contests for Public works infrastructure accomplishment information or outreach in the region. This could include partnerships with professional organizations and/or universities. Could also include Public Works Shadow Day or other community outreach events.

- *Additional suggestions?*

# Commitment Response Forms

---

- Cost shares for FY2018 remain the same as the FY2017 cost shares.
- Commitment Response Forms will be sent out in July by email.
- Will be sent by email, please sign and return by email to Kori Mullen at [kmullen@nctcog.org](mailto:kmullen@nctcog.org).
- If the contact person or signatory has changed, please let us know. If you need you cost share form sooner, please also let me know.
