

Regional Stormwater Management Coordinating Council Meeting

November 17, 2021

Welcome and Introductions

Meeting Summary

- August 18, 2021, meeting summary [handout](#)
- Vote on the summary

Fiscal Year 2022 Vice Chair Nominations

- Nominations for Vice Chair of the Regional Stormwater Management Coordinating Council are now being accepted. Please consider the following before making a nomination:
 - the Committee Procedures require that the Officer positions be held by current members of the Coordinating Council, who are regional **participants**.
 - the Committee Procedures require that the Vice Chair alternate between a Phase 1 and a Phase 2 city. Nominees must be from a **Phase 2** city.
 - Vice Chair is a 3-year commitment (Vice Chair, Chair, Past Chair) on the executive team.
 - The Committee Procedures do not limit the number of terms a person or entity may serve, so if you have served previously, you may do so again.
 - You may self-nominate!
 - Please send your nominations to staff. Staff will send all eligible nominations to the Executive Committee for their review.
- **Voting for the Vice Chair will be done electronically. Staff will announce when voting has started, and the results.**

FY22 Invoices/Cost Shares

Fiscal Year 2022 cost shares amounts are the same as last year

- The webpage <https://www.nctcog.org/envir/watershed-management/stormwater/cost-share>
- You may request an invoice through the webpage, or by emailing staff a request to mail you an invoice.
