Conference ID: 115 010 349#

10:00 AM Welcome and Introductions

North Central Texas Council of Governments

10:10 AM Feral Hog Basics and Biology

Rachel Richter, Urban Wildlife Biologist, Texas Parks & Wildlife Department (TPWD), will present information on feral hog basics and biology, as well as the steps TPWD is taking to curb the impacts of feral hogs on waterways in the North Central Texas Region.

10:50 AM Urban Hogs: A Cooperative Effort

Adam Henry, Wildlife Damage Management Biologist, US Department of Agriculture (USDA) Wildlife Services, will outline the USDA Wildlife Services' direct actions along with education efforts and nonlethal control that are currently utilized to manage feral hog impacts.

11:30 AM Moderated Roundtable

Adam Henry will moderate a roundtable during which attendees will have the opportunity to ask questions, discuss best management practices, and share challenge and successes related to feral hog management.

11:50 AM Closing Remarks

North Central Texas Council of Governments
