

NORTH TEXAS REGIONAL FERAL HOG CONFERENCE

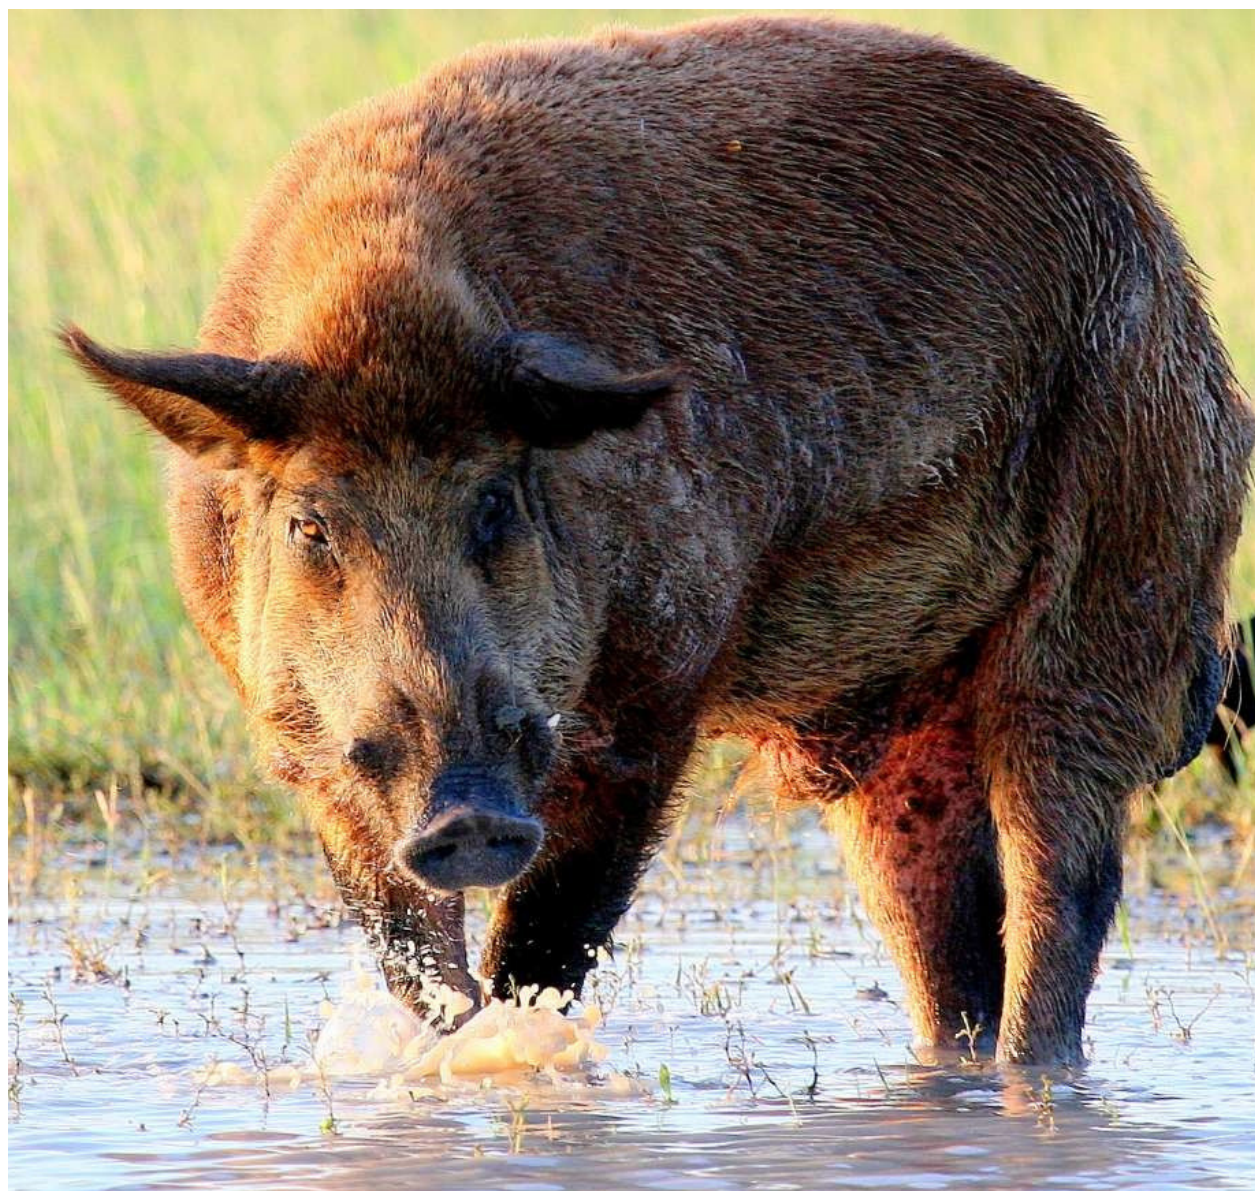

Shannon Tomkins

Join us as we convene policymakers, stakeholders, and experts to discuss opportunities for coordinated efforts in feral hog management. Plans that are established at the watershed level are more likely to reduce hog populations and produce long-term results on a regional scale.

Three days and locations are available for your convenience:

Shannon Tomkins

Monday, Nov 6, 2017 8:30am
John Bunker Sands Wetland Center
655 Martin Ln, Seagoville, TX 75159

Tuesday, Nov 7, 2017 1:00pm
