Date	Image	Caption
1/1/20		<p>It's time to make your resolutions for 2020! This year, take the pledge to pick up after your dog every time they go to the bathroom.</p> <p>Learn more at dfwstormwater.com/petwaste.</p> <p>#NewYears #DooTheRightThing #2020</p>
1/2/20		<p>How do you show your safety habits when you travel with pets? These habits can include:</p> <ul style="list-style-type: none">-When you stop often to let your pet eat, drink, or use the bathroom when on a road trip.-Securing your pet in the car, using a car seat or clip in harness.-Never leaving your pet in the car alone.-And, keeping extra doggy bags and wipes handy when traveling, just in case they make a mess in the car. <p>#NationalPetTravelSafetyDay #DooTheRightThing #DogLife</p>

DOO THE RIGHT THING

#DYK January is National Train Your Dog Month? Unfortunately, you can't train your dog to pick up after itself... but you can make it a habit to always scoop the poop! When you pick up pet waste, you are eliminating the risk of it polluting our waterways. How? Go to dfwstormwater.com/petwaste to learn more!

REASON WHY YOU SHOULD PICK UP AFTER YOUR DOG #3

PET WASTE IS HARMFUL TO YOUR YARD

Dog feces is not
fertilizer for your lawn.
Fresh waste can be toxic
to soil and needs to be
disposed of safely.

The myth that dog poop can be used as fertilizer has been debunked. Do not leave pet waste in your backyard! Waste sitting in your backyard will eventually runoff into our waterways, leading to health risks for your community.

Learn more at dfwstormwater.com/petwaste.

DOO THE RIGHT THING

With cooler temperatures this month, take your dog for a walk! Remember to bring the doggie bags with you too! If you don't have special dog bags, you can use grocery bags, bread bags, or newspaper sleeves as alternatives.

Learn more at dfwstormwater.com/petwaste.

DOO THE RIGHT THING

We get it, it's cold outside and you want to stay by the fire. We want to too! The good news is: it is recommended to pick up the poo in your yard about once or twice a week.

So maybe tomorrow can be that day...

(Alternativity)

(INSERT WARMER DAY OF THE WEEK HERE) is supposed to be warmer anyway...

 **DOO THE RIGHT THING**

**There may not be a
"Poop Patrol," but you
still have to pick it up!**

If your dog poops and no one is around to see it, do you still have to pick it up??

YES!

Leaving behind pet waste puts yourself and others at risk for contracting diseases and polluting your local watersheds. "Doo" the right thing and pick it up!

Take the pledge to pick up the poo at dfwstormwater.com/petwaste.

**Doo doesn't stay
on the sidewalk.**

 **DOO THE RIGHT THING**

#DYK the dog poop left on the sidewalk doesn't stay on the sidewalk? It will wash into a storm drain, releasing the feces into local watersheds. This water feeds into streams, rivers and lakes, which is then used as your drinking water. "Doo" your part and pick up your dog's waste!

You can learn more by going to dfwstormwater.com/petwaste.

REASON WHY YOU SHOULD PICK UP AFTER YOUR DOG #4

PET WASTE ADDS UP QUICKLY

The average dog will discrete about three quarters of a pound of waste per day. This adds up to 275 pounds per year. That's as much as 4 labs!

Did you know there are about 1.5 million dogs in the North Central Texas area?

Talk about cuteness overload.

That's also a lot of doggy "doo." Always pick up after your pet and remind owners who don't why it's important!

Learn more at dfwstormwater.com/petwaste.

DOO THE RIGHT THING

**They look up to you
to do the right thing!**

#DYK the poop you left next to the sidewalk on your walk can lead to an outbreak of diseases and pollute our drinking water? Your dogs look up to you to "doo" the right thing and pick up their poo!

Learn the importance of picking up after your pet at dfwstormwater.com/petwaste!

Thank you for
"doo-ing" the
right thing!

Thank you to those who pick up their dog's waste! You are helping keep our local waters clean and your community healthy.

Don't know how picking up dog waste affects our water and community health? Go to dfwstormwater.com/petwaste to learn how!
