6/5		<p>This week is Pet Appreciation Week! How do you show your pet that you care and appreciate them? A stuffed animal replica might freak them out. Instead maybe take your pooch for a long walk and reward them with a treat! While you are on the walk, be sure to bring some extra doggie bags to pick up the poo!</p> <p>Learn why it is important to pick up after your dog at <a href="http://dfwstormwater.com/petwaste">dfwstormwater.com/petwaste</a>.</p> <p>#PetAppreciationWeek</p>
6/7		<p>When you walk away from the poo, you are risking pollution to your local watersheds and disease to your community. To learn why you should always pick up the poo, go to <a href="http://www.dfwstormwater.com/petwaste">www.dfwstormwater.com/petwaste</a>.</p> <p>#DooTheRightThing #Pawrents</p>
6/10		<p>In order to help keep our waterways clean and our community healthy, you need to pick up after your pet! Learn about the dangers of leaving pet waste behind while on walks or in your yard at <a href="http://dfwstormwater.com/petwaste">dfwstormwater.com/petwaste</a>.</p> <p>The dog featured here is Nina! She is a 7-year-old Pit Bull mix and available for adoption through the Legacy Humane Society! **If you think picking it up is bad,  
try swimming in it.**

 **DOO THE RIGHT THING**

Think picking up after your dog goes to the bathroom is bad? Try swimming with it!

When you leave your dog's feces where it is, it can easily get washed into a storm drain, which leads to a lake or river. Don't ruin someone else's day at the lake and pick up after your pet!

**"Ugly" dogs are cute too!**

Ugliest Dog Day showcases the dogs who look different than the typical "cute" look. Regardless of what your dog looks like, you still have to protect local watersheds by picking up the poo! We want to see your "adorable" dogs. Tag us in your dog's photos @DooNorthTexas!
