NCTCOG MTP Policy Bundle Application for Cities (September 2019)

Air Quality: Clean Fleet

For questions - Contact Amy Hodges, ahodges@nctcog.org, (817) 704-2508

2. Please enter the name of the person completing the Clean Fleet section if different from person listed in the Acknowledgement.

3. Has your city adopted the Clean Fleet Policy adopted by the Regional Transportation Council (RTC) in December 2014 (RTC Resolution R14-10), or a policy consistent with the four major elements of the Clean Fleet Policy?

○ Yes

○ No

4. Is your city a Dallas-Fort Worth Clean Cities stakeholder (see www.dfwcleancities.org)?
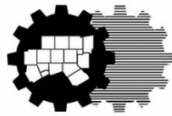

○ Yes

○ No

5. Has your city adopted an idle-reduction policy/standard operation procedure for your own internal fleet vehicles?

○ Yes

○ No

North Central Texas Council of Governments

NCTCOG MTP Policy Bundle Application for Cities (September 2019)

Air Quality: Clean Construction

For questions - Contact Lori Clark, lclark@nctcog.org, (817) 695-9232

6. Please enter the name of the person completing the Clean Construction section if different from person listed in the Acknowledgement.

[   ]

7. Has your city adopted or implemented <u>contract-based efforts</u> (such as bid specifications, incentives, contracting preferences, etc.) to reduce emissions from equipment used in construction projects (such as backhoes, loaders, tractors, etc.)? For examples, see www.nctcog.org/construction or Item 110, Air Quality Requirements for Equipment, in the <u>NCTCOG Public Works Construction Standards North Central Texas, Firth Edition,</u>

◯ Yes

◯ No
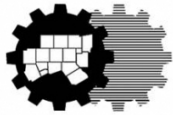

NCTCOG MTP Policy Bundle Application for Cities (September 2019)

Air Quality: Recycling Efforts

For questions - Contact Jenny Narvaez, jnarvaez@nctcog.org, (817) 608-2342

8. Please enter the name of the person completing the Recycling Efforts section if different from person listed in the Acknowledgement.

[   ]

9. Has your city implemented a transportation refuse recycling ordinance to reduce waste within your jurisdiction?
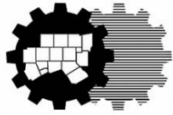

◯ Yes

◯ No

10. Our city: (Check all that apply)

☐ is willing to participate or has participated in a Transportation Refuse Recycling Policy

☐ is willing to participate or has participated in the development of a plan for a Transportation Refuse Policy

☐ none of the above

NCTCOG MTP Policy Bundle Application for Cities (September 2019)

Air Quality: Idling Restrictions

For questions - Contact Jason Brown, jbrown@nctcog.org, (817) 704-2514

11. Please enter the name of the person completing the Idling Restrictions section if different from person listed in the Acknowledgement.

[   ]

12. Has your city implemented an idling regulation ordinance, or any other idling measure, to reduce heavy duty vehicle idling within your jurisdiction (not your own fleet, but something affecting other vehicles within your jurisdictional boundaries)?

○ Yes

○ No

Air Quality: Emission Enforcement

For questions - Contact Jason Brown, jbrown@nctcog.org, (817) 704-2514

14. Please enter the name of the person completing the Emission Enforcement section if different from person listed in the Acknowledgement.

The NCTCOG Emissions Database (known as NED) contains millions of vehicle inspection records and provides local law enforcement officers a way to validate the inspections of vehicles traveling in nonattainment counties including Collin, Dallas, Denton, Ellis, Johnnson, Kaufman, Parker, Rockwall, and Tarrant. NCTCOG offers free access through an executed agreement to the Database 24/7 via the internet for all law enforcement agencies along with training on how to utilize and input the information.

15. For more information about NED access and training, please provide the name, phone number, and email of the appropriate police department representative and NCTCOG staff will contact to verify access to NED

Environmental: Stormwater Management

For questions - Contact Shawn Conrad, sconrad@nctcog.org, (817) 704-5695

16. Please enter the name of the person completing the Stormwater Management section if different from person listed in the Acknowledgement.

For every answer chosen below, please upload supporting documentation in the appropriate space at the end of this section. Chose only those answers that are applicable to your city and provide supporting documents approved by your city.

17. Our city has: (Please check all that apply)

☐ **A. adopted sustainable stormwater policies for transportation improvements and site development to promote improved water quality, flood control, and reduced run-off effects**

☐ **B. funded or implemented sustainable stormwater management projects as part of transportation improvements and site development to promote improved water quality, flood control, and reduced run-off effects**

☐ **C. a formal interdepartmental coordination process that considers sustainable alternatives such as green infrastructure for typical projects such as retrofits, repairs, and new projects to identify how multiple community and departmental benefits can be attained through green infrastructure**

☐ **D. policies or programs to acquire lands that are ecologically sensitive for the purpose of conservation, preservation, water quality protection, and stormwater management**

☐ **E. adopted NCTCOG's Integrated Stormwater Management (ISWM) Criteria Manual or implemented projects that are similar to ISWM through an ordinance or other agency policy (Please visit this website for details on the ISWM Program: http://iswm.nctcog.org/index.asp)**

☐ **F. implemented projects that meet NCTCOG's Transportation Integrated Stormwater Management (TriSWM) criteria or strategies (Please visit this website for details on the TriSWM Program: http://iswm.nctcog.org/triswm.asp)**

☐ **G. none of the above**

For all options checked above, please upload supporting documentation in the "Stormwater Management Attachment" form below.

Sustainable Development: Parking Management

For questions - Contact Travis Liska, tliska@nctcog.org, (817) 704-2512

18. Please enter the name of the person completing the Parking Management section if different from person listed in the Acknowledgement.

[   ]

For every answer chosen below, please upload the supporting documentation in the appropriate space at the end of this section. This may include an agenda, meeting minutes, signed letter, Memorandum of Understanding, resolution, parking management plans and/or zoning ordinance, etc. Choose only those answers that are applicable to your city and provide supporting documents approved by your city.

19. Our city: (Select all that apply)

☐ **A. has existing ordinances, policies, or processes permitting a reduction in minimum required parking off-street spaces through a parking management strategy (examples include shared parking, automatic reductions near transit service, on-street spaces counting for off-street required spaces, or other methods to support efficient use of parking)**

☐ **B. engages in planning for or implementing parking management technologies such as advance payment technology, sensors or automated technology to measure parking space occupancy, real time availability information, or other innovative technology tools**

☐ **C. has ordinances requiring some level of bicycle parking at all multi-family and commercial developments or other specific locations**

☐ **D. none of the above**

For those items checked above, please upload supporting documentation in the "Parking Management Attachments" form below.

Sustainable Development: Safe Access to Schools

For questions - Contact Kathryn Rush, krush@nctcog.org, (817) 704-5601

21. Please enter the name of the person completing the Safe Access to Schools section if different from person listed in the Acknowledgement.

22. Within the last year, has your city worked with schools or ISDs to prepare and implement Safe Routes to School plans, or conducted similar efforts to identify issues and implement measures to improve the safety of students walking and bicycling to school and encourage more students to walk and bicycle to school?

○ Yes

○ No

If yes, describe how city staff have worked with schools or ISDs to improve the safety of students walking and bicycling to school or encourage more students to walk and bicycle to school.

Please upload any available documentation to support your description, such as planning documents, images of completed projects, notes or agendas from meetings with schools or ISDs, etc.

Cities - Safe Access to Schools

If applicable, please upload the relevant documentation required by the previous survey questions in the space provided below.

City Name: *

NOTE:

Per the instructions above, please upload supporting documentation to support your description listed in the question above. Documentation could include: planning documents, images of completed projects, notes and/or agendas from meetings with schools and ISDs. Meeting notes should include the date, time and location of the meetings and a roster with signatures of all parties present. NOTE: After attaching the individual file per question, you must press (or click) the SUBMIT button at the bottom of this form in order for the attachments to be submitted. (You will receive a confirmation that your file(s) have been submitted.)

Sustainable Development: Land-Use Strategies

For questions - Contact Travis Liska, tliska@nctcog.org, (817) 704-2512

26. Please enter the name of the person completing the Land Use Strategies section if different from person listed in the Acknowledgement.

[   ]

For every answer chosen below, please upload governing body approval in the appropriate space at the end of this section. This may include a resolution, court order, minute order, or other instrument reflecting governing body approval. Please highlight the stated strategies and/or implementation steps. Choose only those answers that are applicable to your city and provide supporting documents approved by your city.

27. Does your city support the following sustainable land-use strategies for areas of infill, redevelopment, historic main streets, and/or those that are transit oriented development? (*Please select all applicable categories and upload supporting documentation in the "Land-Use Strategies Attachment - Section1: Sustainable Land-Use Strategies" portion of the form below.*)

☐ **A. Form-based Design**

☐ **B. Increased density**

☐ **C. Diversity of land uses**

☐ **D. Land uses in A, B, or C connected by multi-modal transportation options**

☐ **E. None of the above**

28. Our city has a governing body approved plan or policy containing goals and implementation strategies which: (Select all that apply)

☐ **A. support protecting rural land use and reducing suburban sprawl**

☐ **B. support areas of conservation, partnered with strategic economic growth and density**

☐ **C. none of the above**

For all items checked above, please upload supporting documentation in the "Land-Use Strategies Attachments - Section 2: Approved Plan or Policy" portion of the form below.
