14. Please enter the name of the person completing the Emission Enforcement section if different from person listed in the Acknowledgement.

THE NCTCOG Emissions Database (known as NED) contains millions of vehicle inspection records and provides local law enforcement officers a way to validate the inspections of vehicles traveling in nonattainment counties including Collin, Dallas, Denton, Ellis, Johnson, Kaufman, Parker, Rockwell, and Tarrant. NCTCOG offers free access through an executed agreement to the Database 24/7 via the internet for all law enforcement agencies along with training on how to utilize and input the information.

15. For more information about NED access and training, please provide the name, phone number, and email of the appropriate police department representative and NCTCOG staff will contact to verify access to NED.

Environmental: Stormwater Management

For questions - Contact: Shawn Conrad, sconrad@nctcog.org, (817) 704-5695

16. Please enter the name of the person completing the Stormwater Management section if different from person listed in the Acknowledgement.

For every answer chosen below, please provide supporting documents in the appropriate space at the end of this section. Chose only those answers that are applicable to your county and provide supporting documentation approved by your county.

17. Our county has: (Please select all that apply)

- A. adopted sustainable stormwater policies for transportation improvements and site development to promote improved water quality, flood control, and reduced run-off effects
- B. funded or implemented sustainable stormwater management projects as part of transportation improvements and site development to promote improved water quality, flood control, and reduced run-off effects
- C. a formal interdepartmental coordination process that considers sustainable alternatives such as green infrastructure for typical projects such as retrofits, repairs, and new projects to identify how multiple community and departmental benefits can be attained through green infrastructure
- D. policies or programs to acquire lands that are ecologically sensitive for the purpose of conservation, preservation, water quality protection, and stormwater management
- E. implemented projects that meet NCTCOG's Transportation Integrated Stormwater Management (TriSWM) criteria or strategies (Please visit this website for details on the TriSWM Program: <http://iswm.nctcog.org/triswm.asp>)
- F. none of the above

For all options checked above, please upload supporting documentation in the "Stormwater Management Attachments" form below.

Counties- Stormwater Management Attachments

Sustainable Development: Safe Access to Schools

For questions - Contact Kathryn Rush, krush@nctcog.org, (817) 704-5601

18. Please enter the name of the person completing the Safe Access to Schools section if different from person listed in the Acknowledgement.

19. Within the last year, has your county worked with schools or ISDs to prepare and implement Safe Routes to School plans, or conducted similar efforts to identify issues and implement measures to improve the safety of students walking and bicycling to school and encourage more students to walk and bicycle to school?

Yes

No

If yes, describe how county staff have worked with schools or ISDs to improve the safety of students walking and bicycling to school or encourage more students to walk and bicycle to school.

Please upload any available documentation to support your description, such as planning documents, images of completed projects, notes or agendas from meetings with schools or ISDs, etc. In the "Counties - Safe Access to Schools Attachment" form below.

Counties - Safe Access to Schools Attach

If applicable, please upload the relevant documentation required by the previous survey questions in the space provided below.

County Name: *

NOTE:

Per the instructions above, please upload supporting documentation to support your description listed in the question above. Documentation could include: planning documents, images of completed projects, notes and/or agendas from meetings with schools and ISDs. Meeting notes should include the date, time and location of the meetings and a roster with signatures of all parties present. NOTE: After attaching the individual file per question, you must press (or click) the SUBMIT button at the bottom of this form in order for the attachments to be submitted. (You will receive a confirmation that your file(s) have been submitted.)

Sustainable Development: Land-Use Strategies

For questions - Contact Travis Liska, tliska@nctcog.org, (817) 704-2512

23. Please enter the name of the person completing the Land-Use Strategies section if different from person listed in the Acknowledgement.

For every answer chosen below, please upload governing body approval in the appropriate space at the bottom of this section. This may include a resolution, court order, minute order, or other instrument reflecting governing body approval. Please highlight the stated strategies and/or implementation steps. Only choose answers that are applicable to your county and provide supporting documents approved by your county.

24. Does your county support the following sustainable land-use strategies for areas of infill, redevelopment, historic main streets, and/or those that are transit oriented development? (Please select all applicable categories and upload supporting documentation in the "Land-Use Strategies - Section 1: Sustainable Land-Use Strategies" portion of the attachment form below.)

- a. Form-based Design
- b. Increased density
- c. Diversity of land uses
- d. Land uses in a, b, or c connected by multi-modal transportation options
- e. None of the above

25. Our county has a governing body approved plan or policy containing goals and implementation strategies which: (Select all that apply)

- A. support protecting rural land use and reducing suburban sprawl
- B. support areas of conservation, partnered with strategic economic growth and density
- C. none of the above

For all items checked above, please upload supporting documentation in the "Land-Use Strategies Attachments - Section 2: Approved Plan or Policy" form below.

Counties- Land-Use Strategies Attachments
